

# Micah 6:8 - One-Year Grants - 2022

---

*Redlum Office*

## *Welcome & Instructions*

---

**Thank you for filling out Micah 6:8 Foundation's Letter of Inquiry form.**

Our hope for this Letter of Inquiry is to keep an open door for organizations *outside our network* to introduce themselves to us.

We invite a limited number of new organizations to apply each year, but organizations that submit LOI's who have strong alignment with Micah 6:8 will be retained for future funding rounds and notified of open application windows.

We will review each LOI submission and let you know if we think your organization is a fit to submit a full proposal for consideration. If invited, your answers on your LOI will carry forward to your full application.

*Please note: We have left character counts large for your convenience to copy and paste existing language, but we suggest no more than 1500 characters for each answer. Please be as concise as possible.*

Thank you for taking the time to introduce us to your work!

Sincerely,  
Micah 6:8 Foundation
